

# Owl Photo Challenge

This year for the High Town festival St Matthew's have let their owls lose in all of the green spaces around High Town.

Can you use the photos below to find the spots that our owls have visited and get your own selfie at each location? There are 20 locations to find.

The St Matthew's owls love encouraging everyone to be active; they would love to see you:

- Think about how you travel to each photo location, can you ride your bike, scoot, run or skip to as many of the photo locations as you can?
- Hold a balance, do some star jumps or recreate a sporting moment for your photo?

You don't need to complete all of the photos in one go; you could do a different location each day.
